Thank You
On a personal note, I would like to take this opportunity to thank our wonderful school community for your support in my first year as Principal at Keller Road Primary. I encourage you to attend our Annual General Meeting early next year on Wednesday 15th February to hear about our improvements and achievements in 2016. In particular, I would like to highlight the strengthening partnership we have with our Governing Council and thank them enormously for their work and support throughout the year. A special thank you and congratulations to our Chairperson Jo Wilson who won the Jennifer Rankin Volunteer Award for 2016.

In our last newsletter edition for the year we would like to congratulate all members of our school community on another very successful year. Thank you to all the community members and we look forward to your continued support in 2017.

NAPLAN Online public demonstration site

To support the implementation of NAPLAN Online, ACARA has launched a public demonstration website.

The website provides an opportunity for students, teachers and parents to become familiar with the various types of technology-enhanced features that NAPLAN Online allows.

A mini-test, with sample questions covering all domains for each NAPLAN year level, is available to help users become more familiar with the platform. This user guide will assist users to navigate the site.
