## From The Leadership Team

We would like to thank our community for your patience, understanding and cooperation during this unusual time. Our drop off and pick up time certainly look quite different at the moment but we have seen the growth in independence, especially in our early years students. Our younger students have said how excited they are being able to walk to class by themselves in the mornings. They are rightfully very proud of themselves. We will update you with any changes as soon as we receive advice.

### Playground Upgrade

You may have noticed the work happening in the Disability playground. We are very excited about our upgrade and the students are looking forward to it reopening Monday.

### 5 Helpful Tips for School Zones

As parents and caregivers we have a great responsibility to ensure children stay safe in school zones. We also play a key role in educating children about road safety. Here are 5 helpful tips for safety in school zones:

1. Allow enough time to take your child to the school gate safely and without rushing.
2. Always observe parking signs and speed limits in and around school zones. They are designed to keep your child safe.
3. Talk about signs and traffic lights with your child. Identify and discuss places where it is safe to get out of the car and cross the road.
4. Teach your child how to cross the road using the 'stop, look and listen' process – stop at the kerb, look and listen for traffic and then decide whether it is safe to cross.
5. Park a few streets away and walk your child to school. This is also good exercise and helps teach your child road safety rules.

# Year 6/7 class

We have been learning our to improve our writing by using the Seven Steps program. We started by learning about set 2 Sizzling Starts. Here are some of our examples:

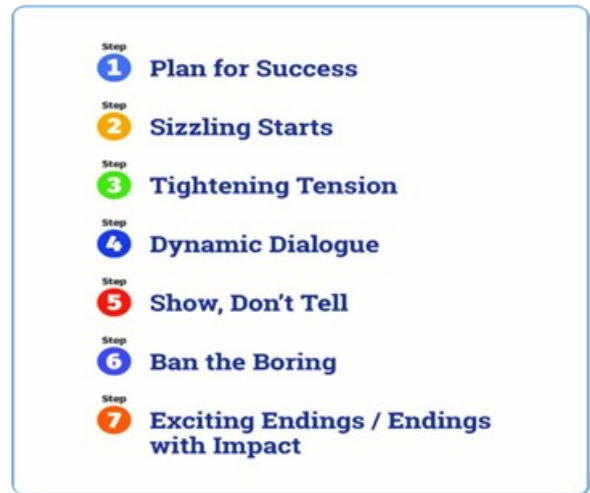

## Winter

*Finally the best season has come, the time where I can snuggle up and watch Netflix. All warm and cosy enjoying a delicious cup of hot chocolate. Ahhh I cant tell you how much I love winter. By Mahdia*

## Summer

*Summer finally here oh wow all the things I can do. We better have ice cream to chill in the pool with my ice cream floaty or we could go to the beach OMG I can already feel the sand between my toes. By Nielofar*

## Winter

*Curling on the edge of the couch, my father laying down besides me and the sound of rain and the sizzling food. The smell of steak fills the room, as I sip my coffee, I put it down and curl nice and warm with my blanket and pillow, staring at the TV. By Emily*

## Passion Project

This year we are doing Passion Projects. This is where we get to do research about any topic we like! This term we are turning our research into a board game.

Here are some of our topics:

- |                    |                    |                         |        |
|--------------------|--------------------|-------------------------|--------|
| Urban legend       | History of netball | Crocodile               | Dance  |
| Basketball         | Egypt              | History of the Olympics | Soccer |
| Mythical creatures | World War 2        | Video games             |        |
| Dinosaurs          | Breeds of Dogs     |                         |        |

### Book Club

Due to children around the country learning both at school and from home Scholastic have decided to develop an online virtual catalogue in Term 2 so all families have access to the Book Club catalogue.

You can view the Book Club Issue 3 catalogue online here: <https://scholastic.com.au/book-club/virtual-catalogue-1/>

Order via the Loop app or via the order form through the school as usual. You can pick up printed order forms from the school front office if required. Orders are due by Friday 15th May. Items ordered will still be delivered to the school where pick up can be arranged.

### Lunch Orders

Keller Road Primary School has a lunch order arrangement for lunches to be supplied on WEDNESDAYS.

As advised last term orders are now only accepted via the Qkr! app on your mobile device. This allows you to order and pay online at any stage of the week up until 9am Wednesdays. In the event of your child being unwell and not attending school on lunch order day you can also cancel an order before 9am Wednesday through Qkr.

You can find the latest menu and Qkr! download instructions under the Lunch Order section on our SkoolBag app. Paper copies are also available at the front office. Please see front office staff if you have any questions. A special thank you again to parent volunteer Linda Sherrah, as without her help we would not be able to offer this service.

# Common Traffic Signs

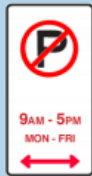

The City of Salisbury has implemented a comprehensive traffic management and parking scheme in the streets surrounding your child's school to help make it a safe place.

Going against the road rules places not only your child's life at risk, but those of others. Tragedies can occur if care is not taken to abide by these rules. Below are some explanations of signs that are placed around schools to ensure your child stays safe.

## No Parking Signs

Drop off and pick up only. You must not queue or wait here. The driver must remain with the vehicle.

## No Parking Signs

The same rules apply as the previous 'No Parking' sign, however, the rules only apply during the times and days shown on the sign.

## No Stopping Signs

You must not stop in a 'No Stopping' area at anytime. Drop off and pick up is not allowed even for the briefest

## Yellow Kerb Lines

An unbroken yellow kerb line is a no stopping line and therefore the same rules apply as for a 'No Stopping' sign.

## Bus Zone Signs

You must not stop within a bus zone at any time. This zone is only available to public buses.

## Obstruct Driveways

A vehicle must not obstruct an entrance way or crossing point to a property, even if it is your own.

## Reserves, Footpaths & Verges

It is an offence to drive or park on a reserve, footpath or dividing strip and could cause an accident, injure a pedestrian or damage property.
