### COVID update

Late last term, the State Government began to ease some restrictions being imposed on all South Australians due to the pandemic.

However, as we have seen in recent weeks in Victoria and New South Wales, complacency against the virus is our biggest ongoing problem and breakouts are possible. Consequently, vigilance and caution continue to guide our decision-making in ensuring our students, staff and families remain safe and healthy.

As a result Governing Council has made the decision to postpone Sports Day as the updated restrictions impact parent engagement in the day. We hope by postponing the day we have a higher chance of an unrestricted event.

We are scheduling a Fun Run event for students this term, however this will be a closed event with no spectators.

It is timely to remember the measures we already have in place.

- Parents and families are asked **not to enter the classrooms.**
- A hand washing regime will continue to be promoted and we ensure classes have ready access to hand sanitizer.
- Extra cleaning measures are in place and high touch surfaces are being cleaned and disinfected regularly.
- As always, please be vigilant about children who show any sign of illness, being kept at home.

We appreciate your ongoing support in ensuring that our school routines and daily schedules continue to operate as normal as possible during these challenging times.

If you have questions or queries in regard to this information, please feel free to contact me.

### Kiss and Drop

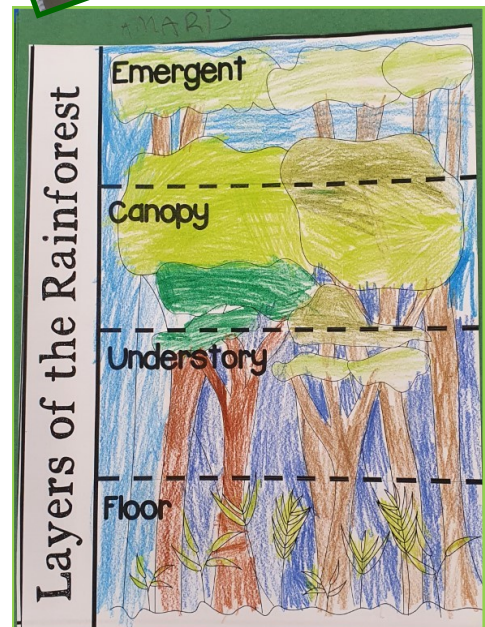

The new signs on Keller Road are now in place. This allows parents and caregivers to stop briefly to drop children near our gate entry. The rules for the area are as follows:

- Drop off and pick up only during the specified times.
- You must not queue or wait here for extended amounts of time.
- The driver must remain with the vehicle at all times.
- Please remember to be courteous at all times.

## Mrs Bowler's class

In R/1 Bowler we are busy learning about the Rainforest. We have learnt about the four levels that make up a rainforest and about different animals that live in them.

## KELLER ROAD SCHOOL RECORD

Congratulations to: Asher

Asher, a Year 5 student from Mr Angus's Class, attempted to solve the Rubik's Cube puzzle in the shortest possible time.

Astonishingly, Asher managed to complete the puzzle in the incredibly short time of **30 seconds**.

Asher has shown us just what persistence, dedication and a growth mind set can achieve.

**Well done Asher, what an amazing effort!**

## Random Acts of Kindness Awards

**Congratulations to:**

Jawid (Mrs Saunders), Laylah and Jordan (Ms Barlow), Olivia and Savannah (Miss Batson)  
for receiving this week's Kindness Awards at Assembly.

ALL Staff and Students are being encouraged to acknowledge any person they catch carrying out an act of kindness without being asked or instructed to do so.

**'The Kindness Jar'**

located out the front of **The Hub** is where the slips go and at each Assembly, 4 new recipients will be awarded Kindness Awards.
