### SAPSASA

Year 6/7 Boys Soccer Team  
Year 7 Girls Netball Team  
Year 5/6 Netball Team

On Friday 18<sup>th</sup> September, Ms Gifford, Ms Milde and Ms Constable, along with parent helpers (Thank YOU for helping with the transportation and supervision of the students), escorted 30 Year 5-7 students over to Argana Park to compete in SAPSASA carnival, competing against a variety of neighbouring schools from the local area.

The students did Keller Road Primary School proud; displaying excellent virtues and positive skills of team work, fairness and respect; associated with representing our school in a sporting event.

All 3 teams had mixed results of wins and loses but thoroughly enjoyed the chance to compete against peers from other schools.

Congratulations to the boys soccer team who came equal leaders with Salisbury Park Primary School to win their division on the day.

The school holidays are a great opportunity to spend time with loved ones and the beginning of Spring is the perfect time to get outdoors. I enjoy spending time in nature as it makes me feel recharged and calm.

I found this lovely activity that you may like to do during the school holidays, the Gratitude Scavenger Hunt.

Wishing everyone a happy and safe school holiday break.

### YEAR 7 TO HIGH SCHOOL

### Parent Update Week 10, Term 3 - 2020

#### What students can expect as a year 7 in high school

We've been engaging with hundreds of our pilot school families through workshops and feedback forms about how their child has found year 7 in high school this year.

Parents and students involved in the pilot at Wirreanda Secondary School, Mitcham Girls High School and John Pirie Secondary School have largely been highly supportive of the move.

#### Gains in maturity

Many pilot group parents reported positive changes in their children's attitude to school work and their organisational skills. They said their children appreciated the opportunity to learn a more diverse curriculum from specialist teachers in specialist classrooms.

#### Diversity of subject choices

The diversity of high school subjects and greater depth of subject knowledge earned praise from parents involved in the pilot. Comments included students enjoying sport, science, cooking and interactive experiences.

#### Making new friends

This was the top concern of students entering Year 7 and also a concern for many parents in the lead-up to the school year. When we surveyed families and students in May, 97% of students said they had made new friends, and this had in fact been a highlight of the high school experience. Many of them found the high school transition days and getting to know you activities, such as camps, beneficial.

We'll be sharing more experiences from our families with you in term 4, as we continue to learn more from our pilot schools.
