From The Leadership Team

Colour Explosion Fun Run

Last Wednesday our school participated in the School Run for Fun Colour Explosion. We have had an extremely positive response from our students. Both students and staff would like to thank Ms Milde for all the work she put in to make the day such an outstanding success.

Kaurna Language

ACARA (Australian Curriculum) are currently visiting our school to film our students participating in our Kaurna Language lessons. We are very proud of our students engagement and progress in this area.

Tag Rugby

Last Friday our senior students participated in a SAPSASA tag rugby event. We won both boys and girls finals. Organisers were impressed with the level of skills displayed by our students, especially our girls. Well done to all involved and a special thank you to Ms Milde who has spent P.E lessons teaching these skills.

Class Placement for 2021

We are soon to begin our class placement exercise for 2021. A form has been sent home this week. This term we are requesting families inform us in writing if your child will not be attending Keller Road Primary School next year. This information assists us greatly in developing class structures which best accommodate the needs of all students. (continued inside)

From The Leadership Team (cont.)

The class placement exercise takes a great deal of time, careful consideration and planning. Any additional information provided by parents will be considered as an aspect of the overall process, yet it must be remembered that it is not always possible to accommodate all parent requests.

Please note the following:

We are unable to consider requests for particular teachers.

Changes will only be made in exceptional circumstances.

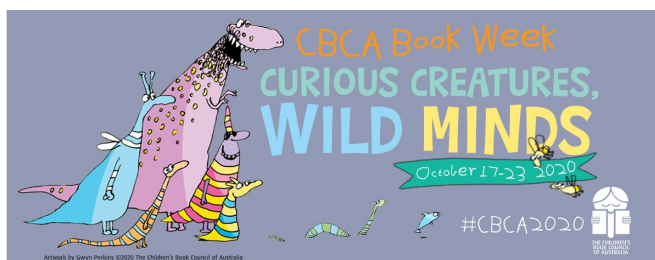

Requests from previous years are also not considered therefore if there is information that is still relevant, please be sure to make an updated request.

If you wish to place a confidential return, please return the form in an envelope marked "Confidential to the Principal" and return it via the front office.

Once classes are finalised there is often little opportunity for changes to be made unless our enrolments increase or decrease thereby affecting the configuration of classes.

Bookweek: Curious Creatures, Wild Minds

Both children and staff embraced Book Week fun yesterday on our Dress Up day with a parade (and a visit from Manor Farm Kindy) and the continuation of Book Week activities in the classroom.

SAPSASA Rugby Tag

Friday, 16th October, Ms Constable, Miss Gifford and Ms Milde took a group of 20 students over to the Manor Farm Oval to compete in a SAPSASA Rugby Tag Competition against schools from our local partnership.

The boys competed in 6 games in total and the girl's team played in 5. Both teams finished the day off as victorious overall winners of both their divisions. Well done and Congratulations to Thomas, Roger, Arron, Connor P, Mitchell, Frank, Steven, Ali and Joel from the boys team and to Liliana, Mahdia, Sunita, Nielofar, Halea, Aliysa, Ella, Johanna, Krystal, Verity and Chloe who competed in the girls team.

The organisers of the day commended the students of Keller Road for their advanced skills level and ability to work cooperatively and skilled as a team.

Congratulations to all for their efforts.

EALD Lunch

On Wednesday 23rd September, the Karra unit EALD students held a shared lunch. We have been writing about foods from around the world, and some people wanted to share treats from their background culture. We had a marvellous feast of delicious foods, and many people were able to try things we had never seen before. Some students also learned to bake breads and cakes from my background culture (Irish). There was a lot of learning about different food protocols, and a lot of fun. Thank you very much to the families who contributed to this wonderful activity!
