From The Leadership Team

Naplan

The NAPLAN results arrived this week for students in Years 3, 5 & 7. While the results are only a snapshot of student achievement on one particular day, they do assist us to analyse areas for improvement. Please contact your child's teacher or Leadership if you have any questions.

Music is Fun

On Friday 17th September we had Music is Fun come and perform for us. The "Music is Fun" Band is an 7-piece group of highly talented musicians dedicated to performing to primary aged children ranging from R-7. The band members, as well as Singing and Presenting, play a variety of instruments including Trumpet, Trombone, Keyboard, Electric Guitar, Bass Guitar, Ukulele and Drums. See photos on the last page.

Materials and Services Charges for 2022

Please see inside for our Materials and Services Charges for 2022.

RAA Street Smart Program

The RAA Street Smart program was presented to classes from Year 1-4 this week. A RAA-trained, qualified teacher visited to deliver an interactive, age-appropriate presentation with a focus on pedestrian, passenger and wheeled safety. We all interact with the road network every day, so we need to learn and be reminded about road safety. We can't afford to take it for granted.

RAA, Lifetime Support Authority, Think! Road Safety and the Government of South Australia believe that road safety is an important life skill that should be taught from an early age. By learning about road safety in school, students can start developing the skills and knowledge that will make them safer in the road environment. Depending on year level students engaged in the following topics

→ Pedestrian safety and passenger safety

Students were introduced to the Stop, Look, Listen, Think message. They discovered the importance of choosing a safe place to cross the road and to hold an adult's hand around roads. Students learnt about safe passenger behaviour.

→ Pedestrian safety, passenger safety and wheeled safety

Students learnt about the importance of paying attention and how to cross the road with care.

Students discovered how to keep themselves safe when using wheeled vehicles by using helmets and being visible. Students learnt about safe passenger behaviour.

→ Pedestrian safety, wheeled safety, and maintaining your wheels

Students identified potentially dangerous situations around roads and learnt how to take action to minimise risk to themselves and others. Students heard the importance of protective equipment, including helmets, and seatbelts in vehicles.

Facebook Page

Keller Road Primary school will have a Facebook page launched next term which will enable us to showcase our wonderful school site, share photos and information about school events and post notices and reminders to our school community. Further information to come.

Happy Holidays

We take this opportunity to wish all of our students and families a safe and relaxing holiday. We look forward to welcoming all of our families back on Monday 11th October.

MEASUREMENT IN MISS WINTERFIELD'S YEAR 1 CLASS

In Miss Winterfield's class, we have been learning about measurement. We transformed into Dinosaurs to measure different things around our classroom using dinosaur steps. Our dinosaur feet were all different sizes, so it was a lot of fun finding out how many steps it took to measure different things around the room. Yasmin found our whole classroom took 178 mini dinosaur steps! We could not wait to share our findings with each other at the end and compare the big feet with the little feet.

Music is Fun!

Soccer

On Friday 10th September, Ms Constable and Henry took 14 Year 4-7 boys to Argana Park to take part in the SAPSASA soccer competition amongst local schools.

We played against Elizabeth East for our first match. Jayden was our goal scorer for the game. Despite going down 4-1, a terrific game was played. Second match we versed Modbury. Lachlan scored a goal but Modbury just managed to beat us 2-1 in the last minutes. Our final match we competed against Elizabeth South ending in a 0 all draw.

Keller Road Primary students displayed excellent skills on the day. Working together as a team, encouraging each other and being good sports. We received positive feedback and were commended by

a teacher from another school on our great sportsmanship displayed throughout the day. Well done to all involved. Thank you to the parents who provided transport or who came out to support the boys.

Rugby Tag

Year 5, 6 & 7 boys and girls competed in the tag rugby carnival on Friday the 17th of September. Keller Road boys and girls teams played other schools from the North East and the girls team was able to progress to
