Class Placement for 2022

We are soon to begin our class placement exercise for 2022. A form will be sent home this week. This term we are requesting families for years R - 5 to inform us in writing if your child **will not be** attending Keller Road Primary School next year. This information assists us greatly in developing class structures which best accommodate the needs of all students.

The class placement exercise takes a great deal of time, careful consideration and planning. Any additional information provided by parents will be considered as an aspect of the overall process, yet it must be remembered that it is not always possible to accommodate all parent requests.

Please note the following:

- We are unable to consider requests for particular teachers.
- Changes will only be made in exceptional circumstances.
- Requests from previous years are also not considered therefore if there is information that is still relevant, please be sure to make an updated request.

If you wish to place a confidential return, please return the form in an envelope marked "Confidential to the Principal" and return it via the front office.

Once classes are finalised there is often little opportunity for changes to be made unless our enrolments increase or decrease thereby affecting the configuration of classes. If you would like to provide information to assist us with this process, please complete the form and return it to the front office by Friday 5th November. Requests received after this date may not be considered.

Upgrades

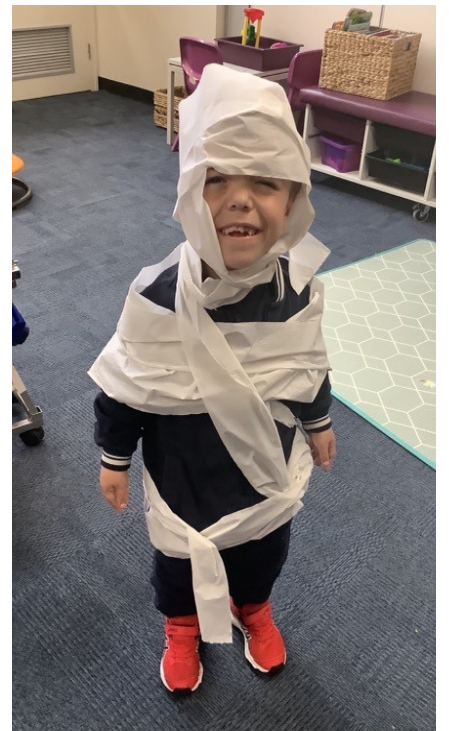

You may have noticed upgrades to access our facilities. They are taking longer than expected due to complications. We apologise for any inconvenience this may cause and we hope these will be fully operational soon. The ramps will provide improved access to the front office, playground, Karra Unit toilets, breakfast club / cooking area, sandpit and grassed area.

FRIDAY DANCE

In Term 3, each class participated in dance lessons with Miss G. Together we developed our coordination and ability to dance in time with the music, as well as learning new moves with a partner.

We moon-walked to 'Thriller', boogied to Dua Lipa's 'Levitating' and danced with our besties, to 'Iko Iko'. With a little bit of concentration and practice we learned new routines and had a lot of fun!
