2022 Reception Transition visits

Transition visits begin next week for our new 2022 Receptions. We are excited to welcome our newest students to school. Transition runs over 4 consecutive Wednesdays in their new Reception classrooms.

2022 Enrolments

Families looking to enrol students for the 2022 school year are invited to collect an enrolment pack from the front office. School tours can be arranged on request.

End-of-year concert

Due to COVID19 ongoing restrictions, our end-of-year concert will look a little different to normal. The concert will be held inside to manage social distancing rules and to pre-plan for weather that would impact to running of the event. The concert will be held on Tuesday 30th November during the day. All families have been sent home a numbers survey with expected guests to attend. A ticket/s and time to attend will come home with your child before the event. Please note that you may need to attend two different times to see sibling items. All visitors will be required to QR in/or manually sign in, wear a mask when inside the hall and adhere to all social distancing requirements. As you can appreciate we are doing our utmost to ensure all items go ahead. We thank all of our families for their ongoing support during these challenging times.

Graduation

Graduation organisation is well underway. We will be farewelling a double cohort of students this year, with both the Year 6 and 7 students moving to secondary in 2022. Due to COVID19 restrictions we will be required to hold the ceremonies over 2 separate nights. All families of Year 6/7 students have received the necessary information to pre-plan for the evenings. Again we thank everyone for their ongoing understanding and cooperation as we plan for this exciting event.

Ramp upgrade

The site is continuing to improve facilities for all of our families. Several ramps have been upgraded to assist those with mobility challenges. We are in the process of the last ramp being completed. The final process of new hand rails should be completed by the end of this year.
