Remembrance Commemoration Service at Keller Road Primary School - by Hallie

The morning started off with an opening by Ms Constable introducing and telling us the history of Remembrance Day. Hallie and Verity then recited two Remembrance poems called, Flanders Field and The Ode. Straight after the poems, we played a short song called the Last Post followed by 1 minute of silence. The final song we played was the The Rouse. During The Rouse, Connor, Hallie and Verity slowly pulled the flags back up to the top of the flag posts. Originally

being set at half-mast. One of the final stages of the ceremony was to put the rosemary wreath laid in front of the tree.

To conclude the service, each class made a poppy to place in front of the wreath, as well as a piece of rosemary.

In the year 3/4 class we have been taking part in weekly music lessons. We have been learning about beat and rhythm including the names of quarter notes, eighth notes and rests. We are using this learning to compose pieces of music for classmates to read and perform. We especially love working with the BoomWhackers, and found it fascinating to learn how they use air to produce different pitched sounds.

Kaurna languages day at the Tea Tree Gully Library and Civic Park—by Ella

On Monday the 1st of November, some of us Paitya Pirku (the deadly crew) a group made up of the Indigenous Aboriginal students of the school, went to the Tea Tree Gully library to help and participate in Kaurna related activities. There were different schools there to be apart of the activities, with both Aboriginal

and non-

Aboriginal people.

We first started off with a smoking ceremony, we then moved onto the activities. There were out-sides games, a nature walk, dancing, Kaurna language and art. The

Paitya Pirku leaders then split off into those different activities to help run them. We taught kids new stuff about our culture, and we all had lots of fun!
