From The Leadership Team

Welcome back to all students and their families. It's great to see all our students excited to be back and looking forward to another busy term. In particular, a special welcome to our new students and their families. We hope your time with us is both enjoyable and rewarding.

Front Office Upgrade

We are excited to share that our new office space is now fully operational. We completed the move during the school holidays, and we look forward to welcoming families onsite through our Melville Road gates.

Building works will continue shortly on the staff room, we expect this work to be completed by the end of this term.

What's happening in the play areas

During the term we will be making some colourful additions to the play spaces. EDU Marking will be installing vibrant play designs. Designs include a snakes and ladders, 100 square, A-Z caterpillar, sensory path and a few other surprises.

There will be a new yard sound system installed in the mainstream yard. This system will provide us with quality sound for playtimes and school events.

The slide in the main playground will also be replaced this term to ensure it complies with Australian safety standards.

Thank you to our fundraising committee for their support to make these upgrades possible.

Preservice teachers

Welcome to 18 Uni SA preservice teachers who have started their first year placement. The students will be with us for 5 Thursdays and for the entirety of week 6. We are happy to support our newest educators as they begin their practical experience.

Mother's Day Stall

THANK YOU for supporting our Mother's Day Stall this week. A special THANKS goes to our volunteers, Linda and Amanda for running the stall and helping students choose some lovely gifts for their Mum, Grandmother/Nan or other significant person in their lives.

Swimming Lessons

Mainstream Reception to Year 5 students have been having fun, enjoying their swimming lessons held at the Adelaide Aquatic Centre, North Adelaide.

MIX 102.3 Breakfast Broadcast

Join us **Friday 12th from 7:30am** for the live breakfast broadcast. Staff will be onsite for student supervision from 7:30am. Special guests, free sausage sizzle breakfast and a special school arrival via helicopter!

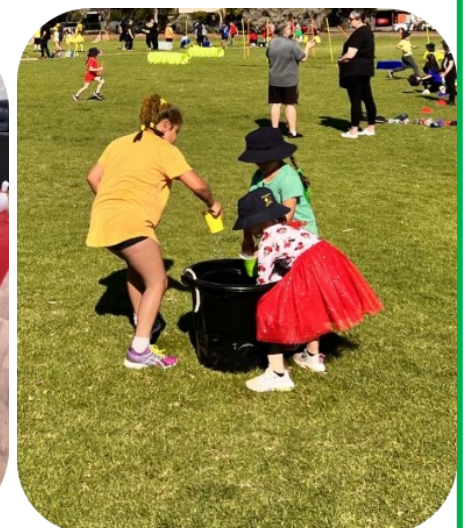

* See our advertisement on the last page to see who the special guests are!!

Sports Day

2023 in Tuta 4!

Snapchat - A concern for primary schools.

Snapchat is a social media messaging app that has become popular with teenagers. To sign up for this app you need to be **13 years** of age. Some child psychologists suggest that a person should be 16 or older due to the risk of exposure to **age-inappropriate** content and the collection of personal data from the user.

Sadly it is becoming more used by younger children and often without parental permission or control over the content.

When children use a platform without the necessary maturity, it can easily become a space for cyberbullying.

How Does Cyberbullying happen on Snapchat?

Snapchat's disappearing message system leads bullies to believe they can act without consequence. A harmful Snap in the form of a video or text is sent to an individual and then self-destructs after a few seconds.

While the message vanishes quickly, the hurt lasts much longer. Even worse, these messages can be sent to a group—aggravating the humiliation and inviting more of the 'gang' to join in.

Hurtful **trend lists** can be sent to groups, children on these lists can feel shamed and isolated from others. Often this type of bullying is not reported to adults as the child doesn't want others to see what their peers think of or rate them as. This can lead to them withdrawing socially and having a negative impact on their self-esteem.

Screenshots of conversations pose an additional threat. When a victim responds, bullies often screenshot or record the message and use these to continue the bullying on other social media platforms. What is meant to have vanished can now eternally spread to a larger audience.

Protecting Kids from Cyberbullies

Expiring messages can make victims question what they read and prevent them from asking for help. However, parents can help!

You can take steps to keep your kids safe by not allowing them to access and use age restricted apps, having open lines of communication with children, teaching them to recognize cyberbullying while setting boundaries around technology and how/ when they are using it.

Let's all work together to keep our kids safe. Please talk with your children about safe and appropriate social media use. If you would like more information we encourage families to explore the website below.

<https://www.esafety.gov.au>

A very big THANK YOU to LJ Hooker Property Specialists for providing us with their coffee van services on our Sports Day at the end of last term. Their coffee van raised \$225.00 which was donated to our school.

Community Information

MIX102.3 Breakfast show will be broadcasting live from Keller Road this Friday 12th May

Students are invited to join us on site from 7:30am for a sausage sizzle breakfast for all, juice for students and a coffee cart for the adults - all FREE of charge!

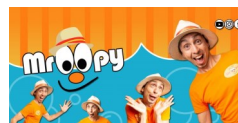

There will be games and special guests to meet and a surprise helicopter drop in!

The Mix102.3 Breakfast team will be in attendance – Ali Clarke, Max Burford, Shane Lowe and Eddie Bannon.

As well as:

- Cosi from South Aussie with Cosi
- Reilly O'Brien from The Adelaide Crows
- AFLW superstar Erin Phillips
- Robbie Kay - balloon artist from Blow Up Australia 2023
- Mr Oopy Bubble Show
- Inflatable basketball hoop
- Handball pop-up

Free Workshops

Bringing up Great Kids

Want to build upon positive relationships with your children?

Decrease conflicts?

Reduce stress?

Increase your confidence as a parent/carer?

Bringing Up Great Kids offers tools for parents and carers to better understand their child's actions, and work together to enhance communication skills and patterns of behaviour.

We'll show how respectful interactions can reduce conflict, so families enjoy richer relationships.

We will consider a range of scenarios that may be faced with children. Exercises and discussions support better communication and increased empathy and offer tools to put learning into practice at home.

Six 2 hour sessions over six weeks.

Dates: Thursday 1 June 2023 - 6 July 2023

Time: 9.30–11.30

Place: TAFE Complex

The Hub building Northern Adelaide Senior College
2 Woodford Road

ELIZABETH (carpark off Wishford Road)

Bus 440–Stop 66

Free Crèche provided.

Bookings **ESSENTIAL** for course and crèche
