## From The Leadership Team

Hi everyone,

For those that don't know me, my name is Glen Hughes and I am now the well-being leader at Keller Road Primary School. As a part of this role I will be working with students on well-being matters such as: mental health, stress, coping strategies, resilience, regulation, social skills, attendance, engagement and also promoting student agency. For the last 12 years I have worked as a part of the Ridgehaven Primary School teaching and leadership staff but I'm very excited to have made the switch over to Keller Road.

My first week was spent getting to know all the wonderful staff and students and there was no greater way of doing this than a couple of days with our students at the Arbury Park camp. The camp for me really highlighted the relationships, strengths and interests of the students here at Keller Road and also really showed the incredible relationships that the students have with the staff.

It's been a really enjoyable start to my time here at Keller Road and I look forward to meeting as many of you as possible throughout this year.

Kind regards  
Glen Hughes

### Lions Children of Courage Awards.

Zulfiqar Musawi (Orange Room) and Rashad Rai (Blue Room) were proud recipients in the 2023 Lions Children of Courage Awards. Both Rashad and Zulfiqar were nominated by their teachers for their progress over their time in the Yaitya Unit, their resilience and their kindness. Zulfiqar and family attended a ceremony at Government House where he met the Governor and was presented with his medal. Rashad was unable to attend the ceremony but was recognised and celebrated on the night in his absence. Congratulations to both students on their amazing achievement.

### Staffing news

We would like to wish Carl Johnson all the best in his position as Special Educator. Next week we welcome Nathan Lowe as our Disability Coordinator. We would like to thank Gavin Matthews who has been Acting Disability Coordinator during the interim period.

### 102.3 Breakfast Show

The radio station broadcasted from our school on the 12th May. Many students enjoyed the exciting event with special guests including Erin Phillips, Reilly O'Brien and balloon artist Robbie Kay. We also had a very special helicopter landing on our oval to deliver two of our students to school. See inside for photos.

### Camp at Arbury Park

Week 5 we were excited to send 82 of our year 3-6 students to Arbury Park Outdoor Education School. For many of our students this was to be their first time away from home. We thank families for the trust they showed.

The weather turned out perfect and the students all had an amazing time. Activities included building fires to make damper, bush walking, nature art, pond life identification and the web of life game.

We are so proud of all students who attended, they showed growth in independence, teamwork and the willingness to try new activities.

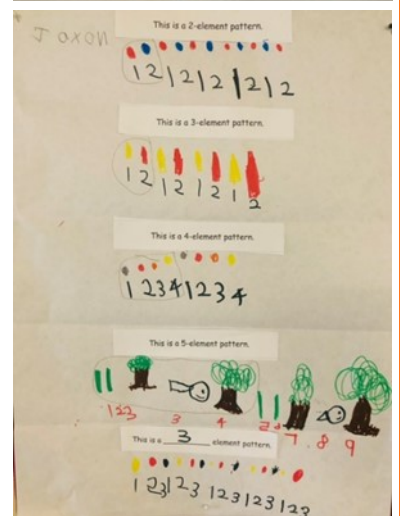

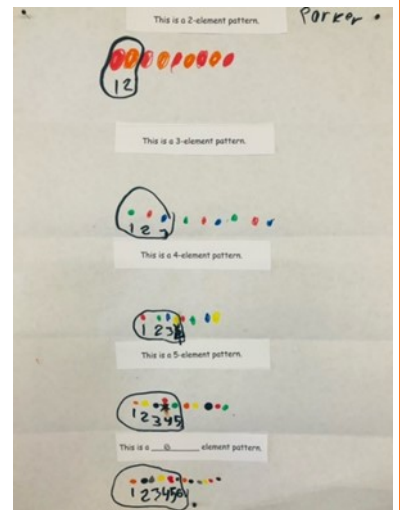

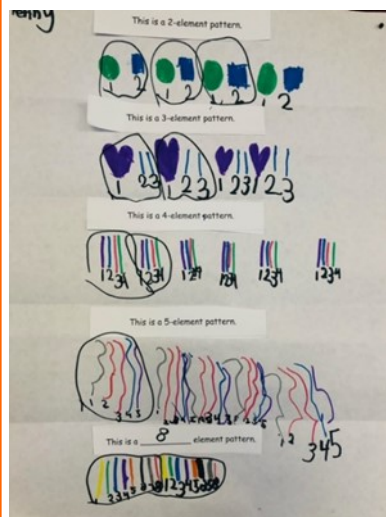

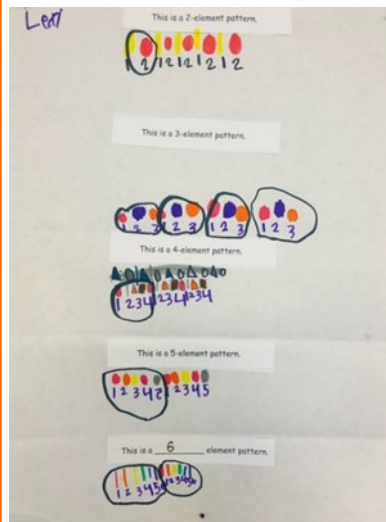

A big thank you to all staff who made this a memorable experience. See inside for photos.

## Mrs Aleysha - Year 1

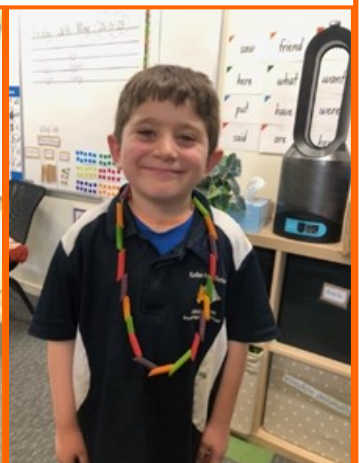

Our class has been exploring patterns during their maths lessons.

**ALGEBRA:** In this unit, students will identify repeated patterns and be able to describe the pattern structure. Students will use this knowledge to copy, continue and create their own patterns. Students will learn about sequencing and be able to make predictions about what comes next in a sequence. Students will learn to use numbers to describe patterns, create number sentences and use skip counting to identify missing elements and predict what comes next in a pattern sequence.

'I can' statements:

- ≅ I can sort objects by colour, size, shape and how many
- ≅ I can identify similarities and differences
- ≅ I can identify a pattern
- ≅ I can identify the unit of repeat
- ≅ I can count the number of elements in each unit of repeat
- ≅ I can copy a pattern
- ≅ I can continue a pattern
- ≅ I can fix a pattern with mistakes
- ≅ I can identify missing elements in a pattern.

# Breakfast Broadcast

Friday 12th May

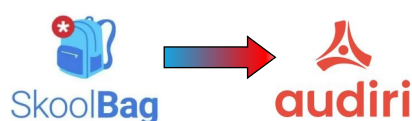

# Arbury Park Camp

Years 3-6 31 May- 2 June

## Parent Information

### Skoolbag is now Audiri

The Skoolbag app we use for communication to our families has now changed its name to Audiri. The name change will not change the way the app is used or your log on details.

To upgrade to Audiri, all you need to do is go to the App or Play Store and update your Skoolbag app.

If you previously did not have the Skoolbag app we recommend you now download Audiri onto your iOS or Android device. Audiri is the easiest way to stay up to date with school notices and newsletters. Notifications are sent once new content is added. You can also submit change of details and student absentee forms via Audiri.

## Install the App in 4 easy steps!

The free Audiri school app offers parents a convenient way to stay up-to-date with the school calendar, last-minute forms, newsletters, all school communications, and even make cashless payments. With Audiri, you can get started in just a few minutes by following these simple steps:

1. Open the Apple App Store or the Google Play Store and search for 'Audiri'. Install the app.
2. Create an account and follow the prompts. Click 'Sign up'. Enter your email address, create a password and click on 'Sign up'. A confirmation email will be sent to confirm your account. Open the confirmation email and confirm your account.
3. Open the app, and click 'Add/Remove'. Type your school's name and press enter.
4. Tap the + icon to add. Now you can see your school, under My Schools & Services.

### Search Audiri in the app store

[audiri.com.au](http://audiri.com.au)

### Attendance

We would like to take this opportunity to remind you that when children are away you must contact the school to inform us of their absence.

There are various ways you can let us know:

- ⇒ Call the school on 8258 3842 (leave a message if outside office hours)
- ⇒ Email the school office on [dl.0632.info@schools.sa.edu.au](mailto:dl.0632.info@schools.sa.edu.au)
- ⇒ Use the absentee note under EForms on the Audiri app
- ⇒ Inform the class teacher through SeeSaw or via a note once your child returns

The school requires a reason for each absence in order to update our records.

### Late arrivals

Our school gates open at 8:30am and the first bell goes at 8:45am for students to enter the classroom.

We understand that occasionally mornings don't run as smoothly as planned and sometimes there are early appointments to attend. Please note that if your child arrives at school after 8:50am they will need to enter through the front office and sign in late.

### Did you realise...

- Late arrival at school through the primary years is often related to non-attendance during secondary school.
- Missing 1 day a week of school from Reception to year 10 means missing 2 years and 1 term of schooling.
- Being half an hour late to school each day from Reception to Year 10 equals missing 1 year and one and a half terms of schooling.
- Being absent 5 days a term from Reception to Year 10 adds up to more than one year of missed schooling.

## Living with Young People

The teenage years bring a new stage in your child's development and many changes for the whole family...

Living with Young People is a **FREE** workshop that helps you as parents and caregivers build an understanding of your teenager and their healthy development.

Our workshops are full of helpful information with a choice of simple, practical strategies that each family can adapt for their own parenting situations.

Topics to support your parenting include:

- 🔊 About young people
- 🔊 Adolescent development
- 🔊 What parents can do to support their young person
- 🔊 What about conflict?
- 🔊 Positive approach to guiding children's behaviour

Our workshops are based on the latest parenting research and use information from **Parenting SA**.

Light refreshments and resources provided  
(Bookings essential)

**Where:** Salisbury East High School  
32-58 Smith Road Salisbury East

**When:** Tuesday 20th June 2022  
Tuesday 27th June 2022

**Time:** 6pm-8.30pm

**To book:** <https://www.eventbrite.com.au/e/living-with-young-people-free-workshop-tickets-601860259237>

Everyone is welcome, bookings essential  
Please arrive 10 minutes early to register
