From The Leadership Team

Mid Year Progress Reports

This week all families have access to their child's Mid Year progress report via the portal. This provides you with an indication of your child's achievement to-date and identifies future learning goals for their development. If you have any difficulties accessing the portal we are happy to help via the front office.

Good Luck

Wishing Bella, Erin and Lachie all the best for their final teaching placement before becoming fully qualified teachers. Thank you for the dedication shown to supporting our students. We look forward to welcoming you into the teaching profession.

Welcome to new staff

We will welcome several new SSOs to our team Kimberley, Jack, Tabitha, Courtney, Leah and Caitlin. They will working with students in mainstream and in our Disability Unit. Welcome to UniSA students Diana Kalivaci and Megan Mawhinney who have began their lead days before starting their final placement in August with Miss Winterfield and Miss Mulcahy.

End of Term Reminders

With the holidays fast approaching we would like to take this opportunity to remind families of the following organisational details:

- ◆ Early Dismissal - school finishes at 2.00pm on the last day of term, Friday 7th July
- ◆ Friday 7th July - Karra Unit Fete afternoon
- ◆ School resumes for Term 3 on Monday 24th July

Student Leaders

Student Leaders have started their regular visits to Manor Farm Preschool. For the remainder of this year, some of our older students will be attending weekly sessions at Manor Farm Preschool to work with some of our community's youngest members. Students take part in social play, reading, counting, puzzles and floor time routines. We look forward to continuing this program next term.

Next Term highlights

We would like to wish all our families a safe and happy holiday. We look forward to seeing everyone back for Term 3.

This term, Tuta 5 have been looking at different musical elements with Miss Lelos.

Through dynamics, we have learnt about how our bodies can make lots of different sounds. From quiet sounds like tapping fingers together to loud sounds like stamping our feet.

During our assembly performance in Week 9, we created the sound of a rainstorm using our bodies. Everyone liked joining in with us!

Road Safety around our school zones.

Today, we want to shed light on an often overlooked aspect of child safety – the significance of entering and exiting vehicles through the passenger side door. Ensuring the well-being of our children is our top priority, and small steps like this can make a big difference in keeping them safe not only at drop off and pick up but during every car journey.

Please take a few moments to read why it is crucial to encourage our children to enter and exit vehicles through the passenger side door:

Safety First: By using the passenger side door, we can guide our children to enter and exit the vehicle away from the flow of traffic. This reduces the risk of accidents and potential collisions, ensuring a safer environment for our little ones.

Curbing Distractions: By establishing a routine of using the passenger side door, we can minimize distractions for both ourselves and other drivers.

Enhanced Visibility: As parents, we know the importance of clear visibility while driving. By encouraging our children to enter and exit through the passenger side, we can ensure better visibility when looking out for oncoming traffic and pedestrians. This small change can significantly contribute to preventing accidents and keeping our loved ones safe.

Building Good Habits: Teaching our children to enter and exit vehicles through the passenger side door instills lifelong habits of safety and responsibility. These lessons can carry over into other aspects of their lives, reinforcing the importance of following rules and taking precautions.

Leading by Example: Our children learn by observing our actions. By consistently using the passenger side door ourselves, we set a positive example and impart the importance of safety in everyday situations. Let's teach them to prioritize their well-being from an early age and encourage them to make thoughtful choices.

We all play a crucial role in safeguarding our children's lives, and every small step counts. Reinforcing the habit of entering and exiting through the passenger side door not only ensures their immediate safety but also equips them with essential life skills for the future.

Let's embrace this practice as a community and promote a culture of safety among our children. Together, we can create an environment where their well-being is paramount.

We look forward to safe school zones when we return Monday July 24th.
