From The Leadership Team

Welcome back to Term 4. We have had a very settled start to our final term. We wish our new families a warm Keller Road welcome.

Playground Additions

We have recently made some additions and upgrades to our playground areas. Please see inside for photos.

Class Placement for 2024

We are soon to begin our class placement exercise for 2024. A form will be sent home this week. This term we are requesting families for years R - 5 to inform us in writing if your child **will not be** attending Keller Road Primary School next year. This information assists us greatly in developing class structures which best accommodate the needs of all students.

The class placement exercise takes a great deal of time, careful consideration and planning. Any additional information provided by parents will be considered as an aspect of the overall process, yet it must be remembered that it is not always possible to accommodate all parent requests.

Please note the following:

- We are unable to consider requests for particular teachers.
- Changes will only be made in exceptional circumstances.
- Requests from previous years are also not considered therefore if there is information that is still relevant, please be sure to make an updated request.

If you wish to place a confidential return, please return the form in an envelope marked "Confidential to the Principal" and return it via the front office.

Once classes are finalised there is often little opportunity for changes to be made unless our enrolments increase or decrease thereby affecting the configuration of classes. If you would like to provide information to assist us with this process, please complete the form and return it to the front office by Friday 3rd November. Requests received after this date may not be considered.

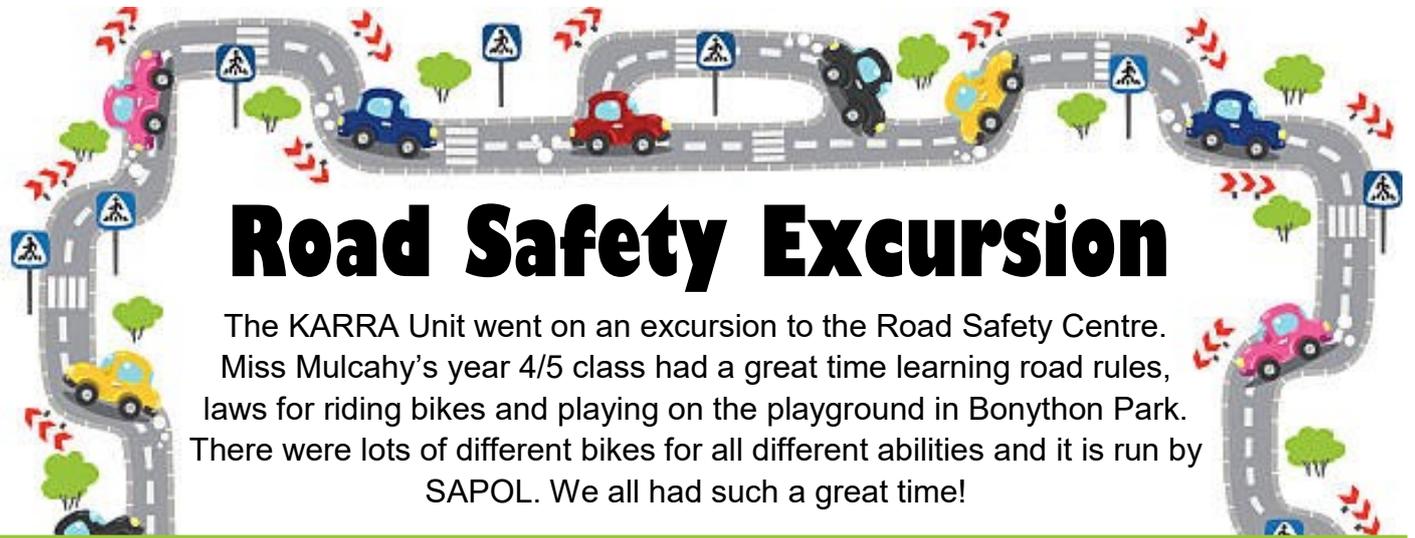

World Teacher's Day

Australia will celebrate the teaching profession on World Teachers' Day on Friday 27 October 2023.

We would like to recognise our teachers for their skilled work in educating, inspiring and supporting our students.

We would like to celebrate their important role in our community and for the positive impact they have on the lives of students at Keller Road Primary.

Road Safety Excursion

The KARRA Unit went on an excursion to the Road Safety Centre. Miss Mulcahy's year 4/5 class had a great time learning road rules, laws for riding bikes and playing on the playground in Bonython Park. There were lots of different bikes for all different abilities and it is run by SAPOL. We all had such a great time!

Parent Information

Volunteer Information Session

I will be hosting a Volunteers information session on **Thursday November 2nd at 2:15pm in our staffroom.**

During this session I will walk through the process the Department for Education requires us to follow, and have copies of the department's volunteer application form available to fill in.

By going through this process you may have the opportunity to be a regular volunteer in your child's class, or work with the class during special events/excursions.

If you feel you have skills, expertise and knowledge to offer, please come along to find out more. It's never too late to start. No matter who you are or where you're from, it's all about wanting to help out. It's in this spirit that the department actively encourages Aboriginal people and people from multicultural and diverse backgrounds to get involved.

Please feel free to contact me at school if you have questions before the session.
RSVP via Kathy at the front office by November 1st.
