From The Leadership Team

Fete

Thank you to everyone who attended our 50th Birthday Fete. It was fantastic to see so many families, community members, alumni, former staff, and parents come together to celebrate this special milestone. We extend our gratitude to the staff, students, and volunteers, and we would like to especially acknowledge Kirsten Mitchell for her hard work in organising the fete. A special thank you to The Honourable Blair Boyer, who delighted our students by participating in the fun and visiting their stalls. Please see last page for photos.

Feed the Homeless

Ms. Piltz's class recently collaborated with one of our parents, Dave Meadows, to learn about supporting those less fortunate. Dave's business, DMBBQ, helps with an annual "Feed the Homeless" BBQ. Our students contributed by assembling care packs for the homeless, using generous donations from our community, and decorating food packaging with kind messages. They also created spice packs and learned about food hygiene while preparing delicious burgers. A heartfelt thank you to Dave Meadows for his dedication and for sharing valuable life lessons with our students.

Mid Year Progress Reports

This week all families have access to their child's Mid Year progress report via the portal. This provides you with an indication of your child's achievement to-date and identifies future learning goals for their development. If you have any difficulties accessing the portal we are happy to help via the front office.

End of Term Reminders

With the holidays fast approaching we would like to take this opportunity to remind families of the following organisational details:

- ◆ Early Dismissal - school finishes at 2.00pm (1:45pm Yaitya Unit) on the last day of term, Friday 4th July. It will also be a casual clothes/Pyjama day, no donation necessary.
- ◆ School resumes for Term 3 on Monday 21st July.

Student Leaders

Our year 5 and 6 students have continued their regular visits to Manor Farm Preschool. For the remainder of this year, some of our older students will be attending weekly sessions at Manor Farm Preschool to work with some of our community's youngest members. Students take part in social play, reading, counting, puzzles and floor time routines. We have found these visits have helped our mid-year intake students transition over as they now have familiar faces at school.

TUTA 5 HIGHLIGHTS

We have had a term full of learning, laughter, and lots of growing in Year 1/2! From skip counting in Maths, writing our own narrative stories in English, exploring maps in HASS, learning about healthy and balanced lunchboxes in PE, to investigating push and pull forces in Science – our stars in Tuta 5 have been shining bright. This term, we have also been learning how to be kind friends, curious thinkers, and proud learners. We discovered that mistakes are just proof that we are trying – and we tried a lot! Our classroom has been full of imagination, giggles, and the occasional missing glue stick.

Here's a look back at some of our favourite highlights from Term 2:

- school photos
- museum excursion
- hosting our very own assembly
- PE labs with the University students
- Celebrating our school's 50th birthday at the fete

HOLIDAY MESSAGE
