From The Leadership Team

Welcome to term 3. We have had a very positive start to the term.

We welcome our new students Mia, Harris and Madailyn to our school.

A special welcome to all our new Receptions:

William Selina Yousef Lili Nargis Octavia lang

Book Week

Book Week is fast approaching and we would like to remind families we will hold our Book Week Parade on Tuesday 19th of August at 9:15am. Families are invited to visit classrooms after the parade to share a book with their student.

Staffing Changes

We would like to wish Ms Kirsten all the best on her maternity leave starting week 6. Miss A will be backfilling the Year 6 teaching position until the end of the year. Mr Denham will be teaching Science and Mr Fitzpatrick IT for the remainder of term 3.

NAPLAN

The NAPLAN results arrived for students in Years 3 and 5 and will be coming home this week. While the results are only a snapshot of student achievement on one particular day, they do assist us to analyse areas for improvement. Please contact your students teacher or Leadership if you have any questions.

Parent survey

You're invited to complete the 2025 annual Public Education Parent Survey.

The 2025 parent survey opens late July and closes midnight Sunday 7 September 2025.

During the survey window you will receive an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

If you have not received an email or SMS with your unique survey link by Friday 15 August 2025, please check your spam or junk folders. Otherwise, please contact education.ParentSurvey@sa.gov.au and include our school's name in your email. A new survey will be sent to you.

The survey takes less than 10 minutes and will help us understand:

- what we're doing well
- where we can improve
- what's important to you.

It has been coordinated centrally so that added administration workload isn't placed on the school. Your answers won't identify you or your child. Only collated feedback will be provided to our school.

Information collected will inform school improvement planning and activities at the school.

The survey closes midnight Sunday 7 September 2025.
