From The Leadership Team

Welcome

We welcome back all our students and families to another very exciting school year. We hope you and your children enjoyed the break and that your children have enjoyed their first week back. A special welcome is extended to all of our new students and their families.

Classroom programs have started with our Beginning of the Year Program, focussing on getting to know one another and unpacking whole school focus. Each class will explore learning relevant to their year level but within a common theme. Themes include: school values; curriculum awareness; classroom and yard behaviour processes and expectations; key school policies; class routines; positive culture of learning; quality work etc. This focus enables staff and students across the school to have a similar understanding of our expectations and priorities to best support student learning. We are all working together to make Keller Road a safe and successful place to learn and play.

AGM

Our AGM will be on Tuesday 17th February at 9.00am in the Staff Room, followed by the Governing Council Meeting. Governing Council are hopeful of meeting as many families as possible at the AGM as we take the time to reflect on our achievements from last year and plans for 2026. Nomination forms will be sent home via Seesaw in week 3 or are available from the front office. All welcome.

Acquaintance Night

We are looking forward to meeting many of you at our Acquaintance Evening next Tuesday 10th February. Teaching, Specialist Staff and Leadership will be available to meet families between 5:00 and 6:00pm. Classrooms will be open from 5-5:30pm to meet teachers and become familiar with the classroom spaces. Students are invited to take their families on a tour the school, specialist teachers will be available for parents wishing to learn more about their programs. From 5:30-6pm you are invited to meet together on the blue court for a free community sausage sizzle.

As part of our commitment to fostering an inclusive and respectful environment for all our students, we have chosen to use halal sausages for school meals and events. This decision ensures that all children, regardless of their dietary restrictions or religious beliefs, can enjoy the same meals together.

By providing halal options, we respect the dietary requirements of our Muslim students and make our school a more welcoming place for everyone. It also simplifies our meal preparation process, ensuring that we can cater to a diverse student body without the risk of cross-contamination.

Assemblies

During Term 1 and weather permitting Term 2 Assemblies will be outside on the court. Next assembly Friday week 3 .

Pupil Free Day

Governing Council have approved a pupil free day on Friday the 6th of March for professional development. Mainstream teaching staff are undertaking a full day writing workshop ' Seven Steps' while Disability Unit staff will be completing the RAA Kids in Cars Child Restraint training.

2026 NAPLAN

This year again sees NAPLAN fall at the start of the school year. This will allow teachers and leaders an extended time to work with the data that the testing provides.

There will be a coordinated practice test held Australia wide on Tuesday February 24th. Student performance in the practice test is not assessed or reported on. The purpose of the test is to make sure that the administrative processes, devices and school networks all work effectively.

Formal NAPLAN testing begins Wednesday 11th March. Students will have a written component, spelling, reading, grammar and numeracy tests. Tests are scheduled in the morning and run for approximately 50mins per test. Year 3 and 5 students will be bringing home an information sheet this week focussing on what happens with the student information collected.

School reminders and information

Materials and Services Charges 2026 (School Fees)

School fee information and invoices will be sent home soon. All families will receive this information. Please take note of payment due date. If you are intending to apply for school card, please do so as soon as possible.

School Card 2026

Information on the eligibility criteria, income limits and the application process for School Card is available online at [SA.GOV.AU School Card Scheme](https://www.sa.gov.au/school-card-scheme).

Paper application forms are also available from the Keller Road front office. Our Business Manager can offer assistance to complete the forms if required. If you need assistance, please contact the front office or phone the School Card information section on 1800 672 758.

School Communication

To help keep up to date with school events and information in 2026, please take note of the various methods of communication we use, as listed inside this newsletter.

Student and Family Detail Update

Please ensure throughout the year you inform the front office if any of your details change. This can be done in person, by phoning us on 8258 3842 or emailing dl.0632.info@schools.sa.edu.au. Changes include new phone numbers, home or postal addresses, student health information or changes to emergency contacts.

It is important to remember that anyone other than parents picking up children outside of the normal finishing time, must be listed as an emergency contact or the student will be required to remain at school until the parent/caregiver can be contacted. If you are unsure who is listed in your emergency contacts please contact the school. Persons listed have authority to pick up your child/ren so it is important to keep them up to date.

Collecting students early

Please note that student play/break times are from 11.30am-12pm and 1.50pm-2.10pm. If you need to collect your child from school early please collect your child before or after break times.

Lost Property

Please ensure your child's name is written on items such as drink bottles, jumpers and jackets in case they end up in lost property so they are able to be identified and returned.

Sun Smart

As per our Sun Protection Policy students are required to undertake sun protection strategies from 1st August to 30th April and at other times when UV levels reach 3 and above.

Students have access to sun screen in the classrooms and are required to wear a hat at outside play times. If students do not have a sun safe hat they will be asked to sit in the shade. Hats are in stock and available to purchase at the front office for \$12. Please ensure your child has a water bottle every day.

Communication channels at Keller Road Primary School

At Keller Road Primary we place great importance on communication. We have various methods of communication with our families to provide information in regard to student learning, school events, reminders and notices.

If you require any further information or support please contact the front office on 8258 3842 or via email on dl.0632.info@schools.sa.edu.au
