From The Leadership Team

Mid Year Progress Reports

This week all families have access to their child's Mid Year progress report via the portal. This provides you with an indication of your child's achievement to-date and identifies future learning goals for their development. If you have any difficulties accessing the portal we are happy to help via the front office.

End of Term Reminders

With the holidays fast approaching we would like to take this opportunity to remind families of the following organisational details:

- ◆ Early Dismissal - school finishes at 2:00pm (1:45pm Yaitya Unit) on the last day of term, Friday 3rd July. It will also be a casual clothes day, no donation necessary.
- ◆ School resumes for Term 3 on Monday 20th July.

End of the day playground reminder

A reminder that afterschool play on the playgrounds is not encouraged. We would appreciate if students leave school grounds with their families at the 3pm dismissal. If students are waiting for an adult we ask that they stand next to the staff by the gate for safe monitoring. We appreciate your support.

Congratulations and farewell

Wishing Henry Groot Obbink a fantastic retirement. We thank him for his dedication and years of service to Keller Road Primary. Henry has had a positive impact on our school and we will miss him.

Newsletter Term 3 and 4

From term 3 we will transition to a new newsletter format. The newsletter will be available in electronic form only. We will be using Microsoft Sway, this format is widely used across primary and secondary schools. Our first newsletter in the new format will be Thursday week 2 Term 3.

SeeSaw communication

Just a reminder that staff are unable to respond to seesaw messages during the day. If you have an urgent matter please contact the front office.

We would like to wish all our families a safe and happy holiday and we look forward to seeing everyone back for Term 3.

Lost Property

Please ensure your child's name is written on items such as drink bottles, jumpers and jackets in case they end up in lost property so they are able to be identified and returned.

What's been happening in Yaitya 1....

YAITYA CAFÉ

STARTING THE DAY STRONG

Each morning, our Yaitya Café provides a welcoming space where students come together to enjoy a healthy, delicious breakfast while building important life skills. The café is more than just a place to eat—it is a place to connect, learn and grow.

Our older students take on leadership roles by supporting and mentoring our younger students, creating positive relationships and fostering a strong sense of community. Together, students develop skills such as teamwork, responsibility, communication and independence.

Starting the day with a nutritious breakfast helps our students feel calm, regulated and ready to learn, setting them up for a successful day in the classroom. We are proud of the positive impact the Yaitya Café has on our students and the wonderful culture of care, leadership and belonging it continues to build.

Yaitya 3 - Out and About!

What a busy start to the year we've had in Yaitya 3! Our students love playing and learning within the Yaitya Unit, and they've also enjoyed many opportunities to get out and about to explore the wider school and community.

Weekly library visits have been a real highlight. We love discovering new books and sharing stories with our friends. Assemblies are always exciting, giving us the chance to see what other Keller Road students have been learning in their classes. When we get the opportunity to come down to the mainstream playground at play time, we really enjoy seeing our friends and joining in with the fun.

In Term 2, Yaitya 3 has been heading off for swimming lessons. Riding the bus is always an adventure, and everyone has a great time in the pool, building confidence and having fun together.

Some of our students have also enjoyed special excursions, including a fantastic trip to the Adelaide Zoo, and joining in with Rec in the West. These experiences help us feel connected to our community.

We love being included in the community!

Parent & Community Information

Introducing AusAlert™

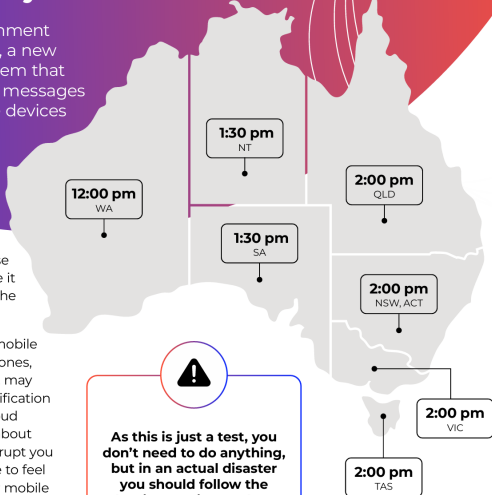

and the AusAlert national test

Monday 27 July 2026

The Australian Government is launching AusAlert, a new national warning system that can send emergency messages to compatible mobile devices in times of disaster.

AusAlert will be ready to use in October 2026, but before it launches, we need to test the system across Australia.

On **Monday 27 July**, your mobile devices, such as mobile phones, tablets and smart watches, may receive a test alert. The notification will vibrate and include a loud siren-like sound that lasts about 10 seconds. If this could disrupt you or cause you or a loved one to feel unsafe, please turn off your mobile devices or switch them to aeroplane mode before the scheduled test time in your location, and leave them off for at least one hour.

As this is just a test, you don't need to do anything, but in an actual disaster you should follow the alert instructions to keep yourself and others safe.

2026 CHILDREN'S BOOK WEEK

SYMPHONY OF STORIES

22-28 August 2026

Book Week - Term 3 Week 6
